Celebrating Success:

- We had a very successful Achieve 3000 March Madness. We are hoping we will receive the banner for the most articles read in a month across the elementary schools in the district.
- We received very positive feedback from our guests who visited during the Power of a New Public Education. The visit was “perfect” per Jason Gardner.

Old Business:

- Tiling over spring break
 - Mrs. Sease’s room will be tiled over spring break. Her class will meet in Mrs. Collins’ room the week after spring break, and Mrs. Collins’ classes will meet in the computer lab.

New Business:

- Title I Plan
 - Kendall Fulham presented the 2017-2018 Title I plan, and it was discussed. A motion was made by Barbara Ward to accept the plan as written and seconded by Jessica Hathcock. The motion was unanimously approved.
- EVAAS
 - Mrs. Zehmer said she will calculate EVAAS percentages she has in the past and then send the calculations to the teachers for their approval.
- Summatives
 - Mrs. Zehmer reminded everyone that PDPs are due Thursday, 4/13, and asked for flexibility as she conducts summative conferences.
